International YOGA Day (21st June 2015)

June 21 was declared as the International Day of Yoga by the United Nations General Assembly on December 11, 2014.

Yoga, a physical, mental and spiritual practice having its origin in India, aims to transform the body and the mind.

The declaration of this day came after the call for the adoption of 21 June as International Day of Yoga by PM Narendra Modi during his address to UN General Assembly on September 27, 2014 wherein he stated: "Yoga is an invaluable gift of India's ancient tradition. It embodies unity of mind and body; thought and action; restraint and fulfilment; harmony between man and nature; a holistic approach to health and well-being. It is not about exercise but to discover the sense of oneness within yourself, the world and the nature. By changing our lifestyle and creating consciousness, it can help us deal with climate change. Let us work towards adopting an International Yoga Day."

Always remember to be happy becoz you never know who's falling in love with your SMILE."

5 years of togetherness with Shephertz

Nothing is more special than,
celebrating each year together,
wishing you all a very happy five years celebration,
Thank you for giving this wonderful opportunity,
Thank you for making this an amazing occasion,
We are proud to be the part of the SHEPHERTZ fraternity,
When I needed help, you were always there,
My issues and problems I knew I could share.
I truly appreciate that you are my friend,
And all those times together we spend.
It's hardly been few months being here
I proudly proclaim, we're a great team,
You believe in me, whenever I dream.
Listened to me, when I had to say,
If I am short, you don't mind to pay.
In the end, we're such a great team,
I'm so happy, I just want to scream.
Let's start with the celebration &
make all the effort to fulfill the Shephertz dream.
